ASTIC GENERAL TRADING L.L.C. is by all means to be considered your first checkpoint if you are in need of anything related to Air conditioning & Refrigeration. Since its inception as a general trading company specializing in HVAC, Astic has over the years managed to diversify into industries such as Building Materials and Oil & Gas. Established in 1994 by Mr. K.B.Madhavan, a veteran in the HVAC industry with over 35 years of experience, he has helped Astic to scale new heights making it one of the market leaders in its segment. In order to sustain the upcoming demand Astic has opened a retail showroom - Arctic Air-Conditioning & Trading L.L.C in the heart of Dubai- Deira. Arctic was opened so as to manage the smaller deliveries on a day to day basis as well as to meet ever growing demand for air conditioning and refrigeration spare parts and accessories. Arctic Air-conditioning also focuses on servicing a large array of maintenance companies on a timely basis. Our high standards of service ensure that our clients from various markets stay with us throughout. Our trade activities are spread worldwide and currently we export various products to Europe, GCC, Middle East, Africa and South-East Asia.
