Al Futtaim Engineering is a multi-disciplinary engineering organisation operating throughout the United Arab Emirates since 1974. As a member of the Al Futtaim Group, we enjoy the benefits of being part of one of the leading business houses operating in the lower Gulf Region. Through our five divisions, we offer a wide variety of products and services in the construction, commercial and industrial sectors. Our involvement in numerous large scale projects in the UAE has given us a wealth of experience. From Scaffolding to Elevators and Security Systems to Air Conditioning, Sanitaryware and Facilities Management, the Al Futtaim name spells quality and reliability.
