HILALCO – Hilal Bil Badi & Partners Contracting Company (WLL) is a fully locally owned Company in Abu Dhabi since 1996. HILALCO has emerged to be one of the leading Roads, Infrastructure and Civil Works Contractors company in the region with more than 1000 km of Roads completed as well as many major Bridge Structures, Underpasses and major Infrastructure works for townships. HILALCO draws from 35 years of expertise garnered from its mother company Wade Adams and through the vision and commitment of its Abu Dhabi local owners. HILALCO has grown from strength to strength ever since. HILALCO in Abu Dhabi and Wade Adams Contracting in Dubai have been operating under the comprehensive management system of Wade Adams Gulf for more than 10 years and have shared technical expertise and manpower in executing projects in Abu Dhabi and other Emirates.
