Since its founding in 1997, Gulfbankers Executive Search Part of Forum International Group of Companies has been the executive recruitment industry's leader and innovator, today, has evolved as the Arabian Gulf, Middle East and North Africa premier provider of executive talent management solutions in the Banking and Finance Industry. With Head office in Dubai, United Arab Emirates and branch offices in Egypt, Bahrain and Saudi Arabia Gulfbankers is unrivalled in its field. Our service and commitment to creating strategic and organic recruitment solutions has earned the company respect and a proven reputation within GCC Countries.

Understanding that the business community is now facing many more challenges in attracting, retaining and developing senior managers, Gulfbankers services range from executive recruitment to corporate governance and CEO recruitment, outsourced recruiting, management assessment, and executive coaching and development. Our executive recruitment professionals, many of whom joined our firm from senior positions in the industry sectors they now serve, conduct more than 2,000 senior-level searches for clients in the GCC and the Middle East each year. The industry-sector knowledge and global reach of our firm ensures that our clients have access to the most qualified candidates for every position. With our time-proven search process, market knowledge and our regional network, it is not surprising that more leading organizations around the region trust Gulfbankers to deliver and develop the best executives to run their businesses than any other firm, a responsibility we take very seriously and work every day to meet with integrity

and results. Expertise, knowledge, commitment to ethical business standards, and a network of contacts enable us to source high-caliber candidates for executive and senior level assignments. We combine proprietary data bases, technology sourcing, direct sourcing, and the strength of a core research group in a tailored approach for every client.
