Oman Foodstuff Factory LLC is one of Oman's leading foodstuff manufacturers, products under the brand name of "Al Mudhish". Al Mudhish products range from popular 2500gms Al Mudhish Milk Powder in tins as well as sachets to the kid's favorite snack time treat Al Mudhish Ready Salted Fresh Potato Chips, to the Chef's favorite ingredient, the zesty Al Mudhish Tomato Paste. These and many other Al Mudhish products with a wide range of packing sizes and flavors has earned the trust of people locally as well as in major Middle East & African Countries. Key to success of Oman Foodstuff Factory LLC is the enterprising spirit combined with continuous innovative concepts inspired by company's Managing Director cum Chairperson Mr. Surendra Dhirajlal. Mission Statement The mission of Oman Foodstuff Factory LLC is to serve its consumers the quality product without any compromises whatsoever, and return them full value for their spending. Company strongly believes manufacturing product under extreme hygienic conditions with highest quality standards using the best quality raw materials supplied from standard suppliers, and making sure to have fresh products in the market. The company will continue maintaining its long-term policy to work with its distributors and consumers with full co–operation and giving the best product to its consumers.Exports Besides being virtually a household name in Sultanate of Oman, Al Mudhish products are also being exported on a large scale to GCC, AGGC and African markets. Private Brands As of today, Oman Foodstuff Factory LLC is packing

150+ private/international brands in various sizes. Please make a note that manufacturing and supply of private label is restricted to export market only.
