Company Profile and Activities: Elham Marble LLC is a manufacturer, importer, exporter and supplier of various types of marbles, travertine, granite, onyx and limestone offering a wide variety of blocks, tiles, slabs and steps. Enjoying years of experience in exporting stones, we can provide our clients the most competitively priced products and the fastest delivery. An exquisite range of products extracted from various quarries across the world as well as from our own and catering to the most delicate tastes of fastidious international clients are available in our stockyard. The bulk of revenue is derived mainly from sales of construction and decorative stones. This company was capitalized by single proprietorship and private investment. We manufacture, export and supply natural stones such as Travertine (Vein cut /Cross cut) Marble, Granite, Onyx and Limestone in unique, beautiful colors. Our stones come in blocks, unpolished or polished slabs with 2 or 3 cm thickness, cut to size tiles (2cm thickness) polished, brush, fill, honed and antique for exteriors and interior in sizes of 30x30, 40x40, 60x60 and 30x60 cms or as per customer requirements. We employ high-tech machinery and modern production plants, with the sole purpose of producing the best quality stone products to meet every customer's need.
