Bulgaria Air is the national air carrier of the Republic of Bulgaria. The company's main objective is to offer its customers air transportation services of the highest quality coupled with the traditional Bulgarian hospitality on board its aircraft. Our company operates regular flights from Varna and Sofia to 28 major destinations in Europe and the Middle East, but also charter and business flights upon request to more than 100 other destinations. Together with its partners, Bulgaria Air offers its customers opportunities for traveling to over 400 cities in Europe, Asia, Africa and Northern America. Bulgaria Air is an aviation company famous for its traditions. At present we have added to this an ongoing strife for offering better quality service by new, secure and comfortable aircraft. The Bulgaria Air team is proud of its efforts to make Bulgarians all over the world feel proud of their airlines!
