Poltrona Frau Group The Poltrona Frau Group represents a merger of the world's leading brands of high-end furniture; brands that have, over the past several decades, become giants in the world of interior design. Each of these brands is a leader in its own rights; together, they comprise the largest and most significant entity in the world of premium interior furniture. Providing products for the office, home, public spaces, cars, yachts and planes, the Poltrona Frau Group has been making the best interior products in the world, for over 100 years. Through the establishment of PF Emirates in the UAE, the Poltrona Frau Group recognizes the tremendous potential that lies in such a dynamic and quality driven market, and sees PF Emirates as its "ambassador" in this market, leveraging the various strengths of the Group to bring to the UAE the best of Italian design and furniture.
