Bosco Group, founded in the year 1987 by Mr. P. M. Sebastian, is serving the diverse needs of Aluminium Façade Glazing Industry in every way possible. Be it design, engineering and installation of aluminum and glass envelope for beautifully crafted buildings or colour coating of aluminum profiles or production of tempered glass, insulated glass units or distribution of aluminum profiles, glass and accessories. Bosco is facing the challenges of today's complex business environment by balancing experience with change and ongoing improvement.
