Technical Glass And Aluminium Company L.L.C. or TGAC as we are now popularly recognized, has been growing constantly since its establishment in 1989. We are a modern professional enterprise. The firm has built a sound reputation for providing quality products and outstanding customer service. We ensure unsurpassable flexibility and very high quality products & solutions to our clientele. Since our inception as Technical Glass Exhibition Limited we have achieved a dominant position in our industry both in the United Arab Emirates and Gulf Cooperation Council (G.C.C.) markets. Today we are able to offer even the most demanding clients a complete and diversified range of products. The company's paid up capital is AED 25 Million. Our annual turnover during the 2009 fiscal year was AED 420 Million.
