Journey through our site and discover who we are and what we offer. Contact us and talk to us. Our belief is that homes are places that reflect who you are. Places in which you surround yourself with family, memories, treasures and laughter. Places of beauty. Al Rawaa is in the business of creating beauty. We serve you with a product and an experience of allowing you to look through the windows and glass of your surroundings and see beauty made real in color and design. Our patterns represent blueprints of history, culture and modern design. We hope to serve you here and in your home, office or place of worship with an expression of beauty. Bearing 12 years of valuable experience in technical and manufacturing of various Decorative Glass & Mirror processes in Oman, Al Rawaa introduced its independent Decorative Glass & Mirror manufacturing unit in Sharjah UAE in the year 1992.
