Al Abbar has designed, fabricated and installed facades on some of the world's most iconic projects such as , Burj Al Arab Hotel, Bahrain World Trade Centre, Dubai International Airport Concourse 1&2, Burj Khalifa, Emirates Tower and many others. The Al Abbar name is synonymous with sophisticated construction facades. The Group has expanded vastly over three decades, leading the field in aluminium and stainless steel (Al Abbar Aluminium) and processed glass (Al Abbar Architectural Glass) , not only as a supplier to the construction sector; but more as a provider of total architectural solutions. Investment in the latest technology and strict adherence to international standards has earned Al Abbar a formidable reputation for quality and innovation, both at home and abroad. Constant research and development, international standards have earned Al Abbar a formidable reputation for quality and innovation, both at home and abroad.
