For more than 60 years, Hunter Douglas, the leading manufacturer of custom-made window fashions in North America, has been making a big difference at the window and in homes across America. Hunter Douglas - American Design & Craftsmanship The Art of Window Dressing Well-designed window fashions perfectly unite form and function. Learn more and download our new iPad App Hunter Douglas - The Art of Window Dressing.™ - View our commercial View our commercial Since the beginning, our commitment to excellence has driven our decision to ensure all our window fashions are designed and custom-assembled right here in the United States. (Please note that some Hunter Douglas Contract products are assembled outside the United States. Please visit www.hunterdouglascontract.com for more information about our Contract products.) Industry recognition for our highly innovative designs and quality products has come almost from the moment we opened our doors.
