OSCAR INSTITUTE was started in 1993 by Mr. K.P. Paulose to impart training in Information Technology, Languages & Secretarial Practice. Now we offer different courses covering the latest and most widely used Job oriented programs & software.

Our Training Our courses are upgraded frequently to meet the ever changing standards of the Industry. We lead a dedicated team of Multinational Faculty with well experienced and highly qualified in his/her branch of training with distinguished approval from the Ministry of Education, U.A.E. They possess a high degree of Education, and an exemplary teaching ability. The permanent set up of the staff team highlights our reputation in U.A.E. We have state of the art Hardware and Software facilities. Professional Job Assignments and Tutorials have been devised to help students practically apply what they learn. Ministry of Education, U.A.E.

attested certificate is issued on successful completion of each course, which is being sought for international status. How are we different? We offer a unique style of learning Maximum 6 students per trainer. As a result we are able to give personal attention and make them understand in a better way. One computer: One student. A proper Research has been conducted on the courses we offer; thereby deriving the sessions required by the student to complete the course as also the study material of the course. Professional Job Assignments and Tutorials have been devised so as to help the student to practically apply what he/she has learned. In Computer/ after

completion of the course the students create their own projects and a soft copy of which is given to them which will add to the portfolio of the student. We offer Crash courses of 4 to 8 hours per day to complete the courses earlier; which is subject to availability. Corporate Training Considering the unique requirements of each business establishment, courses are tailor-made, ensuring trainees with sufficient technical knowledge to successfully carry out their job responsibilities. Our pride lies with the Certified and Ministry approved Faculty, structured courseware, guaranteed results and a long reputed experience. Services Transport facility is being provided for those who are in need of it within the Emirate, on extra charge. Free placement services are also arranged for those who successfully complete the Secretarial Practice and Computer training as well; subject to the available job inquiries.
