The Rainbow Group of Companies has established itself as a reputed provider of aluminum products, powder coating services , fabricated products and more over the years. We are committed to delivering high quality services and have been successful in doing the same. Since we started our journey in 1985, we have expanded our activities in a manner that makes sure our customers demands are met at every point. At Rainbow Aluminum, we have specialists in each of our departments to cater to our clients requirements.We have our powder coating plant and trading branch located in Ajman and a fabrication unit in Sharjah currently staffed by 200+ employees. We also have our international trading braches in Bahrain and India. Some of the unique features we offer our clients are listed below.
