Your one-stop shop for Heavy Machinery. With 45+ years operating one of the largest machinery fleets in the UAE, backed by 700+ skilled operators and one of UAE's largest workshop facilities of 100,000+ sq. ft. With a large fleet of brand-new & pre-owned machinery made available for sale, Al Marwan is the authorized dealer of brand-new Kobelco, Dynapac, Powerscreen, Pronar and ABI equipment, offering their customers OEM replacement parts and attachments. Our specialized attachments catalog includes brands such as Toku, Jisung, World Attachments, and Simex. We are also a trusted source for the sale of used Caterpillar, Komatsu, Volvo, among other brands of heavy machinery. The company's long-standing reputation as one of the providers of machinery in the Middle East is backed by 45 years of expertise in the industry. Discover the future of heavy machinery procurement with almarwan.com.
