MetLife Alico, a pioneer of life insurance in the UAE, has been helping people and businesses with their insurance needs since 1962. Throughout our history, we have continuously sought to nurture talent, respect local cultures and promote the diversity that characterizes the UAE society. We've grown by understanding the needs at the heart of the community and by tailoring our extensive product offering to the unique needs of individuals, families and businesses of all sizes. MetLife Alico's regional hub serving the Middle East is located at the Dubai International Financial Centre. The Gulf head office is located in Sharjah.
