Al-Baddad International, subsidiary of Al-Baddad Holdings, is a leading provider of innovative mobile halls and pre-fabricated buildings in the MENA region. Our products are the best option for outdoor solutions, exhibitions, conferences, weddings, events (especially sports), International forums, private occasions, festivals, camps, warehouses, and temporary accommodations. Founded in 1971, Al-Baddad International is expanding its branches to serve a wide range of customers around the globe. Our leadership in the Aluminum mobile halls and tents industry is only a result of our motivated employees, high quality products, and elite customer service.
