SHALIMAR symbolizes the priceless world renowned Diamond successively owned by the Moguls Emperors for decades that ruled the land from Turkey to Malaysia . It is learnt that this exclusively fabulous gem had shown its light from the depths of the Deccan Plateau (Golconda , Hyderabad) situated in central India .The Famous Shalimar Garden considered as the largest garden of South Asia , houses about 7000 varieties of rare herbs and flowers. Where the name Shalimar is bestowed upon pride to suit in the most efficient, traditional, unique but modern trademark, Shalimar Group fits in perfectly to suit the title.We are into Bio-technology- Agriculture, Horticulture, Herbal, Unani and Ayurveda, which are traditionally renowned subjects. Bio-Mineral Water, Bio-Herbal Water are our new Inventions for human health
