Dreamland Aqua Park is the largest family water park in the region with over 250,000 square meters expanse of lush, green, landscaped gardens. Located on the scenic coastline of Umm Al Quwain, it has become more accessible to tourists coming from other Emirates. Dreamland Aqua Park started out with 25 water attractions enjoyed by all age groups. In September 2004, five more attractions were added to the already thrilling and heart-stopping wet rides. Dreamland also has overnight waterside camping facilities in either tents or cabanas in addition to a Mini Zoo and Sporting Facilities. Food is not a restraint at Dreamland with 5 different outlets to suites all your tastes. The Park is operated all year round with a daily capacity of 5,000 thousand visitors. Fridays and Public holidays are for families, pre-booked groups, and membership holders. Bachelors are restricted.
