Since 1989, Pinky Furniture has been one of the leading Indian furniture retail shops in the UAE. In these years we have built a strong relationship with our customers, providing them with the best variety and quality furniture to this day. Pinky Furniture is well known for its prices and services to its customers, which is a hard combination to find. Since our Showroom in Dubai (which is behind the Mall of Emirates in Al Barsha 1) is much easier to get to we have shut down our warehouse in Sharjah, but are still keeping the same prices as we kept all these years. We would like to thank all our customers for their continuous support...
