Al-Futtaim Logistics is a leading supply chain management company based in Jebel Ali, UAE. Established in the 1980s, Al-Futtaim Logistics is one of the region's largest and most respected logistics service providers in the UAE with global reach to over 80 countries through its strategic network partnership. Al-Futtaim Logistics is an Al-Futtaim group company, housing over 225 brands under its flagship. The company has many years of specialised experience in several key sectors, and has a comprehensive understanding of the complexities involved in providing solutions for: Automotive, Retail & Fashion, FMCG, Electronics, Engineering & High-Tech, Humanitarian, Project Cargo, Heavy Lift, Break Bulk and Industrial. Our service capabilities extend to Freight Forwarding & Customs Clearance, Warehousing & Contract Logistics, Goods Transportation & Distribution, Corporate Transportation, Relocations and International Moving. The company manages over 250,000 square meter warehousing and 1,000,000 square meters open storage space with its own fleet and operational centers located in major air and sea hubs in the UAE. Al-Futtaim Logistics is fully accredited ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 Integrated Management System organisation and one of only five companies in UAE to have the FIDI FAIM PLUS certification for its Relocations and International Moving business. The company has won a host of awards: Supply Chain of the Year 2015, 3PL Service Provider of the Year SCATA 2014, Logistics Manager of the Year SCATA 2014, Outstanding Achievement of the Year SCATA 2013, and the Warehouse and Material Handling Company of the year at the Middle East Trade & Export Excellence Awards 2013.
