Currently ARCHON Engineering Consultant is fully operational in Three different states of UAE. We have our Head Office in Sharjah and two Branch offices in Dubai and Ajman. Very soon Archon will launch its fourth office in Abu Dhabi(UAE Capital). After being in Engineering Consultancy Field for more than 17 years in UAE, Archon have joined together a team of highly reputable and qualified professional who provide their extreme expertise in providing unique and professional designs for our valuable clients. We provide different range of expertise in Architectural, structural, MEP, Civil Engineering, Town Planning, Quantity Surveying and Interior Designing. Our aim is to provide perfect designs with perfect solutions and feasibility. We highly value our Client's Project Vision and provide complete communication and coordination.
