The kingdom of Saudi Arabia has witnessed significant population and traffic growth in the past years. Hence, the outdoor visibly concentrated in the major cities & magnitudes of road traffic movement have likewise grown to an extent that has brought to the fore advertising. Especially, at the main intersections of urban and rural cities. Thus giving rise to the need to Digital Advertisement Age. MOA Outdoor LED Boards are regarded as the beacon of Outdoor Digital Media due to our pioneering step in bring forth this digital medium in the region. Our LED Boards are prominently located at key intersections of all the major cities across the kingdom and network comprises of 58 LED Boards in 24 cities. Nonetheless our LED's are not restricted to the boundaries of KSA but our network now also spans in the GCC market. Kuwait and Bahrain are the newly acquired regions of MOA Outdoor Digital Media network. Thus giving our clients the unique opportunity to launch their brand in the GCC market from a single pedestal i.e. MOA Outdoor Adv. For any further info or assistance please feel free to contact our designated offices operating nearest to your region.
