BSBG has been operational in the UAE since 1976 and has been proud of its part in the development of the UAE since. With its broad project expertise and the innovative nature of its output BSBG has earned a significant reputation in the region. BSBG has a very structured and prescriptive approach to projects with the benefit of over 36 years experience in the Middle East market. BSBG has developed its strong reputation for quality design and focus on programme under the direction of its Managing Partner, Alistair McMillan who has more than 20 years experience in the Gulf region. Below Alistair the Senior Management Team consists of Directors, Associate Directors and Associates.
