DRU Architectural Consultancy, Dubai, UAE came into existence as a professional evolution to its affiliate predecessor DRU Gulf (L.L.C.) – established in Dubai, October 1999, which was confined to a limited design activities under an old license. Such activities have been upgraded to provide wider range of consultancy services. DRU is a member of Fujairah National Group, owned by H E Sheikh Saleh Mohammed Hamad Al Sharqi. We are dedicated to providing the highest quality design solutions tailored specifically to the individual needs and visions of our clients. Our designs are imaginative and exclusive and we are known not only for our aesthetic designs, but also for providing our clients with greatest coordination between all disciplines to ensure the most effective and cost effective building solutions. We strive to maintain a good balance between areas, materials, finishes and plan for contingencies.
