We are a team in excess of 200 design professionals in 7 cities inclined towards making the world a better place to live and work. Our designs evolve organically resulting in a unique solution for every client. Over the years, we have grown into one of the larger architectural firms in India with an enviable track record. And we believe, our best work is still ahead of us. Starting with Corporate and Residential interiors 23 years ago, we have expanded into different verticals over the years, working with almost all the leading companies in India. We have delivered over 800 projects and in the recent past we have also done projects in Shanghai, Hangzhou, Manila and London.
