Bareface has established itself as the number one source for models and talent in Dubai and across the Middle East. Now in its tenth year, Bareface has grown to become the largest and most respected model and talent agency in the region providing talent for all types of fashion and commercial assignments as well as events including; models, hair & makeup artists, fashion stylists, choreographers, cast, kids, actors, extras, performers, musicians and entertainers. In 2011, Bareface became part of Ecom Media (BVI) Ltd; an independent holding company that serves as an umbrella for a diverse group of brands which together meet the ever-evolving demands of the world's leading corporations and media organizations. Ecom Media's brands also include arabianEye, Corbis (MENA Representative), Alchemy, Magnet and The Studio.
