Specialists in Natural Gas LPG & SNG Transmission and Distribution and all related works. Lootah BCGas was initially formed in 1997 to participate in gas transmission and distribution related opportunities in the UAE. The company is today viewed as the leading comprehensive operating 'Gas Utility' in Dubai with branches in Dubai, Sharjah, Abu Dhabi (Q Energy) and Dar es Salaam, Tanzania. With over 1,500 successful gas-related contracts, Lootah BCGas is the key gas services provider to Emaar, Nakheel, Al Futtaim and other developers, with Dubai projects comprising of the Burj Khalifa, Palm Jumeirah and Festival City, to name a few. The company also has to its credit the Sharjah Gas Distribution Project, the first city natural gas network in the GCC. This involved the construction of a comprehensive gas distribution network to provide gas services to over 70,000 customers.
