RMJM is an International Architectural Practice with Studios in Europe, Middle East, Asia and the United States. Our work encompasses architecture, sustainable design, urban planning, and masterplanning. Our diverse Studios are made up of architects, designers and creative thinkers working with clients in their own language and with a deep understanding of their culture. Our people are currently engaged on projects in over 20 countries worldwide. Our in-depth knowledge of local markets is combined with a global design history and expertise developed over more than 50 years in education, health and science, nuclear and energy, transportation, mixed use commercial developments, sport, convention centres and hospitality, resorts and hotels, residential and civic & government.
