Zahra Security LLC was established in 1983 as a vanguard security technology company in Dubai. And today, Zahra Security's annual turnover exceeds AED 70 million. In just a few years we have become one of the largest business support services conglomerates in the UAE and the leading security services provider. The company quickly evolved and started providing other technologies required by the Security Industry offering an extensive portfolio of innovative, high-quality, ergonomic products and systems for security, safety and communication featuring intelligent functionality and modular concepts that grow with your requirements including Intercom systems, ID Management equipment, Building Automation and Light Controls as well as Video Conferencing equipment.
