3 offices, 4 developments, more than 2000 units ... IFA Properties is the undisputed Palm expert A subsidiary of international real estate developer IFA Hotels & Resorts, which has brought more than 2000 units to market on the island, IFA Properties offers a unique and in-depth understanding of what it takes to build, sell and rent properties on the Palm Jumeirah. Specialised, efficient and effective Armed with this expertise, IFA Properties offers an unmatched advantage to anyone in need of real estate services on the Palm Jumeirah. By employing a dedicated team to aggressively market your property through a variety of channels, including our extensive range of more than 400 professional sub-agents, IFA Properties is able to rent and sell units quickly, professionally and at exactly the right price. Best of all, IFA Properties saves you the time and frustration associated with meeting multiple agents in order to market your property across multiple channels. On your doorstep Now with three offices on the Palm Jumeirah, whether you visit us in Shoreline Building 7, Golden Mile Building 10 or our newest office in the Residences, Palm Jumeirah (North), our dedicated teams and their wealth of expertise are just minutes away. To speak with an IFA Properties agent today, simply drop by one of our three offices, call 800 4322 or email info@ifaproperties.com
