Dubai Grand Real Estate was set up to meet to the burgeoning demand for quality homes in the UAE. We cater to the quality conscious and discerning buyer, yet at the same time are very realistic where prices and a credible realty purchase are concerned. Dubai is witnessing a terrific boom in its economy and the real estate sector along with almost every other sphere of business is growing rapidly.

Buzzwords like the biggest, the tallest, the highest; the longest are becoming everyday talk. The emirate is becoming a city of setting world records and the whole of the UAE is following in its wake. The wisdom of its far sighted rulers have bought the city and its residents prosperity and a lifestyle that few cities in the world match up to. Within this expanding scenario Dubai Grand Real Estate has emerged as a venture set up by a team that has over 30 years of hard core exposure to the business dynamics of the region. With a modest office in Al Hawai Tower, on Dubai's Sheikh Zayed Road, it is pat in the middle of the business hub of Dubai. The credibility it enjoys is second to none and the company has earned a reputation of being fair and practical over all its business dealings.
