Arab Land Trading L.L.C was established in 2001 by an animal loving family that run the business today strictly with pets' best interests and well being in mind. The concept of Arab Land Trading L.L.C developed when the family realized and became aware of the true lack of Premium Pet Food products available for their own precious pets. The inaccessibility of Premium Pet Food implied that most pets (including their own) were unable to reach their full potential, and others that had specific veterinary ailments (such as renal failure, obesity, dermalogical disorders....) did not get the best possible nutritional care available.
