Shield Trading & Cont. Est. was founded in the year 1984 as a trading and contracting company. Initially it was active in the field of civil construction and trading in a wide range of engineering and associated equipment for commercial, industrial and Oil & Gas sector. Following the construction boom of 1993 the Central Gas Division was established. Since the division established it has a proven record of efficient services for its installations. Now in Abu Dhabi it has completed installation of central gas distribution systems for more than 200 residential buildings. The company is managed by top quality human resources for providing top quality services and products to its clients. Dubai Branch
