Appella was born in 1943 at Porrentruy, Switzerland. The brand was created by Jahre Paul Glocker, the legendary Swiss horologist and Chairman of EBOSSA group. Montres Appella has its corporate headquarters in Geneva, Switzerland, and the brand is currently registered in 70 countries world-wide. Soon after its inception Appella watches were introduced in distinctive, selective luxury timepieces keeping abreast with the latest fad, yet maintaining the conventional Swiss tradition. Appella belongs to the select & elite category of Swiss watch manufacturers who produce 18K solid Gold, Diamond and high-end mechanical watches.
