Multi Links Systems Abu Dhabi Lifts Escalators , Window Cleaning Equipment Supplies , Lifts Escalators , Lifts Escalators , Window Cleaning Equipment Complete cleaning solutions for over 30 years.

It is a basic human need to live and function in clean and hygienic surroundings. A frontrunner in environmental solutions, Modern Building Maintenance (MBM) was launched as a division of ETA Ascon in 1977.

Today we provide effective, reliable and quality services in Cleaning, Security, Administrative Support, Pest Control and Waste Management as well as treatment to various sectors, including trade, government and domestic sectors. We have over 10,000 dedicated and motivated employees, and a turnover exceeding AED 1.35 billion.

MBM is equipped with all the resources including specialized machinery, tools and equipment to take on any given task at any given time. Prestigious shopping complexes, educational institutions, government buildings, factories, airports, hospitals and sports clubs, all rely on MBM for their complete cleaning requirements
