

We manufacture various types of wooden pallets, boxes and crates

560078
United Arab Emirates

We manufacture various types of wooden pallets, boxes and crates. We also deal in pre-cut timber and provide packaging services for the local and export market. Our company is well known for our experience in designing all kinds of pallets, boxes and crates according to the needs of our customers. Pallets are therefore made to the customer's exact specifications. A variety of configurations are available
