Welcome to Ajman Beach Hotel with an intimate "Cozy Inn" casual atmosphere and personalized attention to detail. We are proud to be named as the first Deluxe Beach Hotel of Ajman with a renovated look. On the coastal line beginning from Dubai covering Sharjah and finishing at Ajman located many beach hotels and resorts, but most of them are either 4 or 5 star properties, so are expensive obviously. Do everybody need a 5 or 4 star beach hotel? Our Motto is to contribute in developing Tourism to UAE, for this reason we are not only catering to a particular class of people but have also made efforts to provide beach facilities in a decent accommodation for those who either do not want to spend unnecessarily on 5 star luxuries or are "Casual Freak" and believe in the nature the way it is. Ajman Beach Hotel could prompt a change in the present holiday and weekend migration from various emirates, neighboring countries and overseas tourist heading to the coastal line in search of a real enjoyment for a budget holiday. Well furnished rooms either facing sea or creek. International cuisine & room service. Sea View restaurant & bar. Executive lunch in Sea View restaurant (Free transport for 10 or more persons)
