Rime is the specialist provider of business intelligence for the Middle East, North Africa and East Mediterranean region.

We have been providing quality service to our impressive portfolio of international clients for over 17 years. Through our wide network of regional offices and

associates and our state-of-the-art technology, we have built up a first-class reputation as a supplier of up-to-date business

information delivered on a timely basis. Through investing in additional internal

resources and deepening our relationships with business affiliates, Rime now provides professional expertise in a diverse number of areas. Our

services are grouped under three divisions:

- Information Services
- Investigation Services
- Consulting Services

Our aim is to act as your business risk reduction partner. We will provide you with

the up-to-date commercial intelligence needed

to assist in the decision-making process; the process which will ultimately affect the

bottom-line results of your organization. OUR CLIENTS Our clients come from a

diverse range of organizations including the following: Credit Insurance

Companies International Banks Trade Associations Financial Institutions Collection

Agencies Legal Firms Exporters Export Credit Agencies Education / Healthcare
