Dubai, Dubai 184051
United Arab Emirates

Phone: 971 (4) 2981090
Fax: 971 (4) 2981089

We have developed our platform with the goal of being the industry standard for the seeking speed-to-market solutions with a proven partner. We have created off-the-shelf solutions for different markets - SekurPay for auto finance companies, BHPH dealers, insurance companies and SekurTrack for commercial fleet tracking. Sekurus also acts as a wireless carrier or mobile virtual network operator (MVNO), thereby providing complete end-to-end delivery. With the sales record increasing consistently, Sekurus is continually investing in its R&D. Its vehicle protection systems secure the multi-million inventories of automotive dealers, insurance companies and their floor planning financial institutions. Consumers use Sekurus' anti-theft devices to secure their second largest family investment after their cars.
