

Construction Services

212-G5
Wapda Town
54000
Pakistan

Phone: 0301-8487626

We provide a full range of construction services from the conceptual design phase through the facility-commissioning phase. We deal both in supervision and turnkey base projects. Lahore Builder consists of energetic, hardworking, dedicated, creative and service oriented construction professionals. We understand that real craftsmanship is more than just artistry and attention to the job details; it's about working Attitude, a team Approach, and Pride. We have made a strong commitment to consistently strive for quality workmanship, on time and budget completions, and attention to job details. This lasting commitment has allowed us to work with some of the Pakistan's largest architects and developers.
