Moody design is the first of its kind in the UAE. It started its debut on the 22nd of July 2010. It show cases top quality manufactured furniture from Italy. Moody design, affiliated to CIA International, a Warner Bros. licensed company, begins to dedicate the beloved DC comic characters furniture. Moody design brings all the super powers to Dubai. In addition the showroom show cases a Hello Kitty collection and its very own Gallery collection. The furniture is all made from solid wood giving it an elegant feel and longer life. Our modern designed furniture appeal to all customers' kids, teenagers and even adults. Warner Bros. fans as well as Hello Kitty's fans will be delighted to take home unique pieces of furniture that would bring fun and ease to their living space. Moody design provides the clients the option to custom create their own wardrobe. Just provide us with a picture that you would like to have on your wardrobe and enjoy a one of a kind item. The distinctive technique of our wardrobe allows the customer to continuously change the look of his/her wardrobe and room. Simply: Select a new image from the Display gallery or from your personal albums (in the latter case you'll need to send a high resolution image to Moody design to be enlarged). Using a screwdriver loosen the screws that fix each frame to the front of the wardrobe and, if necessary, the internal screw that

supports the handle. Remove the current image and insert the new display image behind the clear panel. Reinsert the screws and fix them to the panel using a screwdriver. Your Display is as new. We also showcase our one and only flag bookcases, with shelf doors that rotate 180 degree, you can constantly change the way you display your belongings.
