We are based in Dubai and have grown from strength to strength in creativity, clientele and resources in past decade. At Prodesign we do not restrict ourselves to any one book. We believe in innovation and resourcefulness. We work closely with clients to come up with, out of the box solutions for communication challenges within their budget. We take pride in our long-term connection with clients like: Emirates Dubai Media Incorporated, DWTC Dubai Press Club, DNATA Flydubai to name a few. Prodesign believes in bringing in best resources with various educational and cultural backgrounds to cater to the client's needs. We are a young team with wide range of experiences. Our core team comes in with experience from industries like fashion and lifestyle, corporate and finance, art and design, marketing and advertising, literature and real estate to name a few. Our core strengths are being creative in the provided guidelines, on time delivery and a very qualified and professional servicing, design and production team. At Prodesign, we hold innovation and design very close to our hearts. It's a company which has come together because of common love for advertising and design. And we believe in doing everything we can to create success stories for our clients!
