Chronicle Human Resources Consultancy was formed to serve the needs of the full range of Private and Public companies in the Gulf region. Based in Dubai, UAE, Chronicle Human Resources Consultancy acts as a facilitator coordinating recruitment, selection and management training activities. Building on our solid foundations we have spread throughout, Asia, the USA, Britain, Europe, Australia and New Zealand. Our experienced CHRC team is focused on your priorities and needs. We will work with you to plan your recruitment requisites and where needed to run training and development courses for management or employees. Our strong global links combined with our professional and ethical approach to local and overseas recruitment has made us a recognized leading provider of quality staff. We have a stringent recruitment and selection process to ensure appropriate placements are made at all times. CHRC will ensure that only suitable candidates are identified, thereby always giving you the best staff.
