Here, Baite Bearing Co., Ltd, a manufacturer and trading company of bearings with experience of more than 20 years, located in Liaocheng city, Shandong Pro, China. Our main products: deep groove ball bearing, inch taper roller bearing, and spherical roller bearing. We can also supply other bearings with our market advantage and ourselves predominance. The material we use are Chrome Steel GCR15 and high carbon steel GCR11. We have been awarded the Quality System Registered certificate of ISO9001 in 2007. We stick to the principles: "quality first, customer first, reputation first". Sincerely welcome everyone to visit our company and talk business. I'm Emily, a sales representative here. Have any enquiries, contact me freely. MOBILE: 86-13508935490 FAX: 86-0635-2838001 EMAIL&MSN: btquotation@hotmail.com
