Vision Tech Solutions Vision Tech Solutions (VTS) is the premier provider of cloud services to small and mid-sized businesses. Delivered from VTS secure datacenters, these services include hosted Microsoft Exchange email, instant messaging, file management, security, backup, support for the full range of smartphones and tablets, and more. The company's proprietary cloud infrastructure assures high reliability, and a certified support team is available around the clock. VTS also empowers thousands of partners – including managed service providers to sell cloud services under their own brand. What we offer! Hosted Services Web Solutions IT Support & Solutions
