

International Laser Hair transplant

Medcare Hospital, Jumairah Dubai
Dubai, Dubai 00971
United Arab Emirates

Phone: 971503870800

ILHT has gained such reputation over the years that it is considered the only promising working body in the world of hair transplantation. It's a symbol of pride, a symbol of performance and a symbol of trust among its patients as well as its potential customers like you. It is the choice of the experts and the demand of the customers. The fragile status of other hair transplantation centers is ruined by their false claims, but according to the experts opinions, ILHT never leave you in the dark. It fulfills its promise by successfully delivering you the best hair transplantation facilities when rightly needed. The team of expert surgeons their empathy is one of a kind, and its all the result of the thriving hard work and dedication of their staff and surgeons.
