

Oilfield Supplier

China

We are Dayang Petroleum Equipment Co., Ltd., located in the second largest oilfield in China, Shengli Oilfield, DongyingCity. The following are the major products we supply: · Land drilling rigs; · Tuck-Mounted drilling/workover rigs; · Mud pumps; · OCTG, and downhole tools. We work with companies and individuals around the world. If there are projects relating to these kind of products for mutual benefits, please feel free to contact us.
