Mona Lisa Jewelry was established in 1986 and currently is based in Long Beach, California. The store is operated by the owner who is the jeweler, designer, and the direct controller of all the products that are chosen by customers and finished and delivered to give a complete satisfaction and guarantee. Jewelry Designing is a talent that I have inherited from family members at a very early age and converted most what I learned in school arts to create an unusual jewelry pieces. The variety of the jewelry I have created throughout the years earned great compliments and satisfaction by repeating customers. Jeweler and Designer Sarkis Boyadjian
